2. Background information
3. Top 10 topics of 5th scil trend study
4. Changes in the area of learning professionals
5. New roles for learning professionals
6. Conclusion

The abbreviation **scil** stands for
"Swiss Centre for Innovations in Learning":

The centre of excellence for corporate learning /
education management at the
University of St. Gallen.

- Our centre was initiated and has been supported by Gebert Rüt Stiftung.
- We have been successful on the market for 12 years.
- We focus on a consistent practical approach, as well as easy transfer and practical application of knowledge.
- Our portfolio consist of 4 central scopes of action: Further training, consultation, research, as well as innovation circles & events.

What I can give you today:

- Changes of corporate learning
- Transfer to practice
- Food for thought about the role of learning professionals

→ Reflection of trends in a heterogeneous group

→ Changes of the last years

What I am not able to do:

- Explicit information about research process
- Statistical computation in detail

1. Introduction
2. **Background information**
3. Top 10 topics of 5th scil trend study
4. Changes in the area of learning professionals
5. New roles for learning professionals
6. Conclusion

What does your learning portfolio look like **today**?

What is it supposed to look like in the **future** (2016+)?

n = 121

van Dam (2011)

Institut für Wirtschaftspädagogik

In the future (2016+) our offering portfolio ...

will be expanded with new offers and forms of learning.

n = 121

1. Introduction
2. Background information
3. Top 10 topics of 5th scil trend study
4. Changes in the area of learning professionals
- 5. New roles for learning professionals**
6. Conclusion

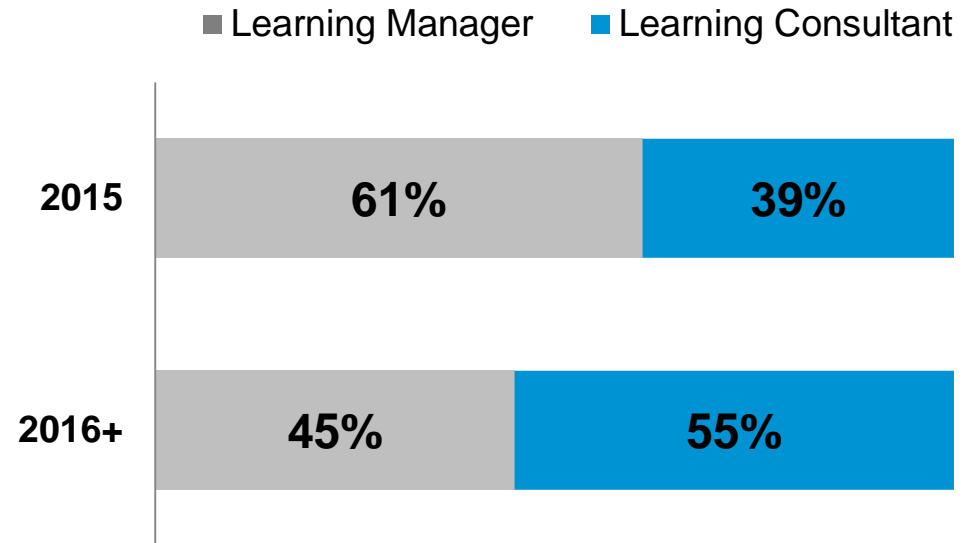

Jane Hart (2014) differentiates 2 roles:

LEARNING MANAGERS
Designing, delivering & managing training initiatives

LEARNING CONSULTANTS
Advising & supporting continuous learning and performance improvement of teams and individuals

In our scil trend study we asked how these roles are distributed within the companies both today and in 2016+:
